SUP-ICU newsletter – February 2017

Thank you for your great commitment to the SUP-ICU trial.

Status

Congratulations and thanks to all – we have passed the 50% milestone of randomised patients!

Since the previous newsletter more than 216 patients have been randomised, and we have now randomised 1871 patients (56%). Thirty sites in five countries are active.

You can follow the inclusion and the number of active trial sites at www.sup-icu.com (press F5 to refresh the page and get the updated status).

New sites

No new sites have joined SUP-ICU trial since the last newsletter

Top recruiters

Top 5 overall recruiters in January were:

1. Aarhus NBG (25)
2. Basel (23)
3. Bern (21)
4. Rigshospitalet 4131 (17)
5. Aalborg (16)

Congratulations to Aarhus NBG for finishing their first month in the trial as monthly top recruiter in January – very impressive! Bern, Basel, Groningen and Aalborg continue to randomise patients at a steady state.

Future active sites

Herlev Hospital will be joining the trial in February. UK and Italian sites are awaiting the final national approvals.

Important information

- **IMPORTANT:** We kindly ask you to complete data registration of all patients randomised in the trial until January 20th 2017, including 90-day follow-up (when possible) to prepare for the first interim analysis of 1675 randomised patients (50 %). Deadline for complete data registration, including 90-day follow-up, of these patients are April 20th 2017.
- An investigator meeting for Danish trial sites was held at the Danish Intensive Care Symposium at Hindsgavl Castle, January 27th.

Other

- In January 213 patients were included – by far the monthly record in SUP-ICU!. Thank you very much for your commitment; please keep up the great work - we are more than half the way!
