

Place in Site Master File #13

SUP-ICU newsletter – June 2016

Thank you very much for your great commitment to the SUP-ICU trial.

Status

Since the previous newsletter more than 200 patients have been randomised, and we have now randomised 544 patients (16%). Twenty-three sites in four countries are now active. Well done and thanks to all of you for the great effort. You can follow the inclusion and the number of active trial sites at www.sup-icu.com (press F5 to refresh the page and get the updated status).

New sites

In May Switzerland started recruiting patients, and yesterday Norway (Oslo) joined in. Welcome to the following new sites: Bern, Basel, Oslo, Tampere, Oulu and Bispebjerg.

Top recruiters

Top 5 recruiters in May were:

1. (Rigshospitalet 4131, Denmark)
2. Aalborg, Denmark
3. Randers, Denmark
4. Helsinki, Finland
5. Køge, Denmark AND Kuopio, Finland AND Bern, Switzerland

Bern has had a very impressive start with 20 included patients since the beginning of May (top 6 overall recruiter).

Future active sites

In June/July we are looking forward to welcoming the Netherlands (2 sites) and 2-3 additional sites in Norway.

Important information

Please remember to adhere to existing national regulations when consent to participate is obtained. If you have any questions on this matter, please contact your national investigator.

Other

Mette will defend her PhD thesis on stress ulcer prophylaxis July 1, 2016 at 14.00 CET (please feel free to come):

Copenhagen University Hospital Rigshospitalet

Teilum bygningen, Auditorium B
