

CLASSIC newsletter – July 2021

Dear friends. Just 178 patients to go!

Please help us look for CLASSIC inclusions during summer, and the trial will be completed in autumn! Additional 1-2 randomisations from each ICU may be enough to finish the trial. A big thanks to all for your support.

Status

A warm welcome to ICUs Russells hall (UK) and Brno (Czech Republic). We're glad you made it!

In the pipeline:

Wexham Park (UK)

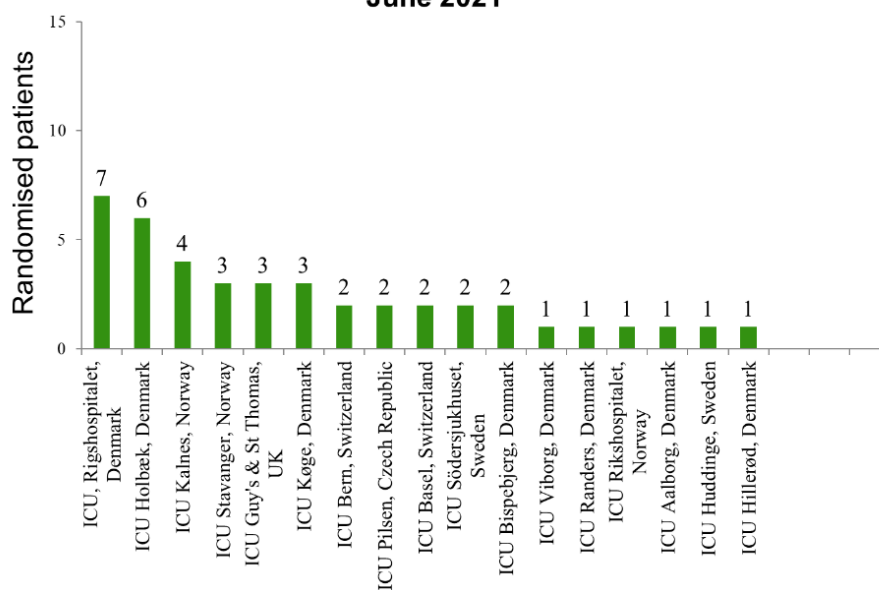

Vall d'Hebron (Spain)

Top recruiters June 2021

Monthly top-recruiter outside Sponsors center was ICU **Holbæk (DK)**. Well done!

Important information!

Data entry: Please help us keep data entry as timely as possible in this last phase of the trial.

1-year follow-up: If you are unable to contact a patient for 1-year follow-up due to annual leave, please get in contact with us as soon as possible, and we will assist with the follow-up.

Maj-Brit.Noerregaard.Kjaer@regionh.dk

Co-coordinating investigator in CLASSIC

In September 2021, Praleene Sivapalan will be the coordinating investigator for CLASSIC as Tine Meyhoff is on maternity leave commencing on September 8. You will be notified by e-mail with updated contact information for any CLASSIC inquiries. Praleene is looking forward to complete trial inclusion with you!
