

**CLASSIC newsletter – May 2021**

**Dear friends. Just 244 patients to go!**

We aim to share the CLASSIC trial results at Critical Care Reviews Meeting in June 2022. To do so we will need to finish inclusions in Autumn 2021 – we hope you will all contribute to realize this!

Rewards will be sent to the ICUs randomising to leave **200** and **100** inclusions to go... 

**Status**

A warm welcome to ICUs Guys & St Thomas and Russells hall (UK) and Holbæk (DEN)!

In the pipeline:

Brno (Czech Republic)

Vall d'Hebron (Spain)

**Important information!**

**Manuscript:** We will draft a blank version of the manuscript for CLASSIC and send out for your comments this summer. This is to advance the process of publication as soon as the follow-up period is completed.

**Data entry:** Please help us keep data entry as timely as possible in this last phase of the trial.

**Contact**

You can reach us at [classic@cric.nu](mailto:classic@cric.nu) or +45 3545 0606 (available 24/7).

Please archive this newsletter in your Site Master File.

**Until next time,**

**Morten, Maj-Brit, Praleene, Anders & Tine**
